

Email On Your iPhone

How to receive Bryant Email on your portable Apple device

Adding An Account

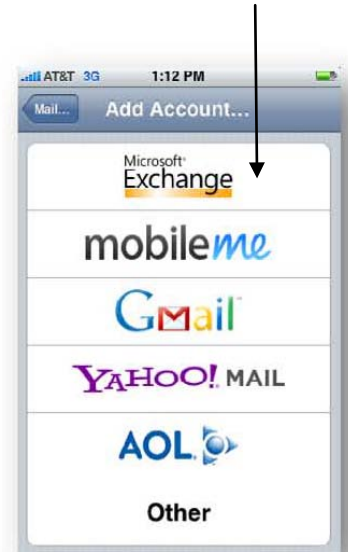

- Choose “Settings” and then “Mail, Contacts, Calendar”

- Choose “Add Account”

- Select “Microsoft Exchange”

Adding An Account

- Enter your Bryant email address, as well as your email username and password.
- Enter “campus2000” as the domain
- Tap “Next” at the top of the screen.

- After your account information is verified, you will be prompted to enter the Exchange server name: **sota.bryant.edu**
- The account will be verified once again. Tap “Save” to finish setup.
